

Devereux's Chance of a Lifetime - Living Healthier Contest

Have you and/or your spouse or domestic partner had preventive care visits between October 1, 2019 and now, or will you be receiving any of the following preventive care screenings before September 30, 2020?

- **Breast cancer (mammogram)**
- **Cervical cancer (Pap test)**
- **Colorectal cancer (colonoscopy)**
- **Prostate cancer (exam/blood test)**
- **Diabetes (blood test)**
- **Physical exam**- Covered every two calendar years if 22-39 years old; covered every year if 18-21 and beginning at 40 years old.

Not only will you earn 5 to 10 points for the Health and Wellness Program (which also includes the flu vaccine), **you no longer have to submit information to qualify. Anyone who receives any of the above screenings will have a chance to win!**

What's the prize?

Single qualified employee portion of medical coverage for 2021!

Why is Devereux Advanced Behavioral Health offering this prize to **one employee at each center**? Preventive care is very important and we want to ensure that all employees with a Devereux plan are taking advantage of the commonly recommended screenings listed above.

Entries are sent by Independence Blue Cross by Monday, October 2, 2020, and winners will be announced during Open Enrollment. For Living Healthier Contest guidance and entry rules, please contact your local People Operations representative or Jelsy Kravatz at jkravatz@devereux.org.
