

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, [www.mvphealthcare.com](http://www.mvphealthcare.com). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$0.	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. Preventive care and primary care services are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply.
Are there other <a href="#">deductibles</a> for specific services?	No.	You don't have to meet deductibles for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	In-Network -\$6,600 individual /\$13,200 family	The out-of-pocket limit is the most you could pay in a year for covered services.If you have other family members in this plan, the overall family out-of-pocket limit must be met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Copayments for certain services, premiums, balance-billing charges, and healthcare this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.mvphealthcare.com">www.mvphealthcare.com</a> or call 1-888-687-6277 for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing).Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the specialist you choose without a referral.
