

NEW!

DEVEREUX BENEFIT AVAILABLE TODAY!

If you have recently been told that you require a complex surgery or procedure and you want quality healthcare with no out-of-pocket cost, Devereux health plan members and dependents now have access to Accarent's surgical Centers of Excellence network, including Johns Hopkins Hospital and other highlight rated providers specializing in complex care.

OUR SOLUTION

PEDIATRIC & ADULT SPECIALIZED CARE

Access to the most specialized procedures and treatments, at world leading medical providers, ensuring top-quality care and case management.

NO OUT-OF-POCKET COST

Program participants benefit from waived deductibles and co-pays for their utilization of Accarent's centers of excellence.

NURSE CASE MANAGEMENT

With over 30 years of CM experience our nurses are a beacon for the member in assisting with navigating through a complex healthcare experience and offer travel recommendations.

TRAVEL AND LODGING ASSISTANCE AVAILABLE

Travel assistance available, depending on the procedure and required length of stay in region.
